

PRE-K: YARN STAMPS

Related academic subjects: fine arts, language arts, mathematics

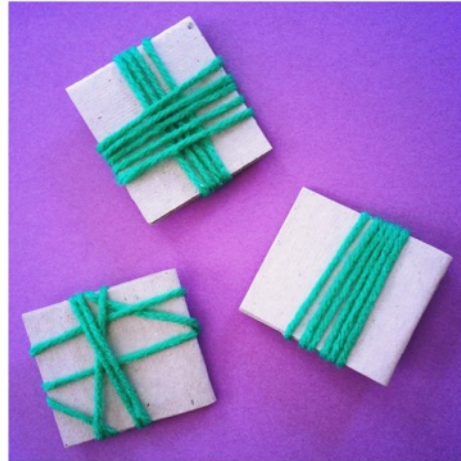

1. Get two 3" x 6" rectangular pieces of corrugated or pressed cardboard.
2. Fold the cardboard in half to form a square.
3. Cut a length of yarn that can wind around your cardboard pieces.
4. Wrap the yarn around your first piece of cardboard and tie the ends in a knot.

5. Repeat with your second piece of cardboard.
6. Dip your stamp (knot side up) into a plastic plate/bowl of finger paint.
7. Press your stamp onto a white piece of paper.
8. Repeat with your second stamp and a different color of paint to create a pattern.

MATERIALS:

1. corrugated or pressed cardboard
2. finger paint
3. plastic plates/bowls
4. scissors
5. white paper
6. yarn
