

Art Camp Location

How do I get to your studio?

We're located at 1142 Koko Head Avenue in Kaimuki. Entrance to our main studio can be accessed through our front doors, which open on to Koko Head Ave, or our rear door, which opens onto a municipal lot.

Where will camp be?

We'll meet each day at our main downstairs studio, then head as a group to our smaller classroom upstairs. Art instruction will mostly take place upstairs, but students will also have some time each day for self-guided creativity at our larger downstairs space. Students may also go on short neighborhood walks to collect materials or look for inspiration.

Where can I park?

Metered parking is available along the street and in the municipal lot behind our studio. The current meter rate is 25 cents for 20 minutes. Free neighborhood parking is also available (especially off Mahina Avenue) for those who are willing to walk a bit.
